### **Administration (Victoria)**

In Victoria, this exam methodology is held within the two designated Skills exam periods e.g. May-June and Nov-December. All candidates enter as per normal, via Trybooking.com.

This type of assessment is suitable for clubs with four (4) or more candidates presenting for these first two levels. If you are interested in entering pupils for the Test 1 and/or Test 2 Group Assessment in a Skills exam period, please contact the CVI Skills Convenor direct.

### **Procedure for Group Examination**

Each candidate is identified by a number (aligned to their CVI Registration No.) which they wear into the exam room e.g. 1, 2, 3, 4 etc. They do not wear coloured sashes, as per other test/grade exam candidates. The main points –

- ✚ Candidates require the same training – learning the technique/terminology/set routines and respecting the exam protocols.
- ✚ Up to 10-12 candidates can be examined at one time. They enter the room and greet the Examiner, who directs them to place clubs/rods at side of the room and assemble on the floor in rows.
- ✚ Coach accompanies pupils into exam room to assist with the rotation of candidates but cannot demonstrate nor influence the exam.
- ✚ Examiner asks each row to perform all the movements as per Assessment Spread Sheet – rotating rows/or rows in front to sit as completed to ensure each candidate is viewed. Each row performs the set dance routine.
- ✚ At the conclusion - Examiner thanks candidates and in turn candidates curtsy, collect apparatus and leave the room.
- ✚ Each movement is marked **S or ticked** (Satisfactory) or **U or crossed** (Unsatisfactory) for each candidate. There are **NO individual assessment sheets**.
- ✚ Overall Results – **SATISFACTORY or UNSATISFACTORY**.
- ✚ The Group Results Spread sheet and an Examiner's Overall Comment Sheet are sent to the coach/co-ordinator in the normal manner. Coach to convey comments to individual pupils.
- ✚ Each candidate receives level certificate and other relevant hard copy memorabilia.
