## Background

Calisthenics Victoria Inc (CVI) in conjunction with the Australian Calisthenics Federation (ACF's) Communication Policy have created social media channels to provide a platform for members, supporters and participants of Calisthenics. All social media conversations, posts, comments and photos should be respectful and constructive at all time.

CVI has strict moderation guidelines on defamation, discrimination and intimidation. We will take a strong stance on moderating and deleting content which is irrelevant, discriminatory, defamatory, threatening and actions which may offend, insult, humiliate or intimidate.

In the instance where CVI deems posts, comments or other material to be inappropriate CVI will remove those posts, comments or other material. In addition users may be blocked from further activity on official CVI social media platforms and in extreme cases may be the subject of further investigation, including the formal filing with Victoria Police and sanctions in line with CVI Policy.
