

## STAR 4

Star Four, the fourth level of the Star Club Program. At this level, your club is expected to not only be continuing the work done through Star Two and Three, but also be actively thinking and planning for the future.

There will be an importance placed on planning for the future, supporting your volunteers and providing professional development opportunities for committee members and coaches.

The requirements of Star Four ensure clubs are thinking about their long term sustainability and their continued quality assurance through sound policy development.
