

## Supporting the Victorian State Championships

The Calisthenics Victoria State Championships Committee is preparing for what is hoped to be yet another wonderful competition for all our Calisthenic Performers.

The support of the calisthenics community is vital to maintain the standard of the Victorian State Championships. Your sponsorship of State Championship enables the continued development of the competition season and ensures quality venues for all are provided.

In return for your support, you will be acknowledged:

- on our Sponsor presentation displayed on screens in the foyer throughout the Championships
- by the MC during the section you sponsor
- on the program of the section you sponsor
- section sponsorship – if you sponsor a full section, you will receive 2 complimentary tickets to the section you have sponsored

Details of our Victorian State Championships sponsorship options are detailed on the attached return slip.

In order for sponsorships to be acknowledged on our printed programs, please respond to the office by 14<sup>th</sup> August 2017.

Thank you again for your ongoing support.

Yours sincerely

*Sue Reeves & Anne Jenkinson*
