

VICTORIAN METRO SOLO GRADING 2018

Attached is the proposed list of **Calisthenic Solo** and **Graceful Solo** gradings for 2018.

With solo numbers continuing to grow over recent years, there has been a steady increase of competitors flowing in to the 18 years + (Senior) sections in both Cali and Graceful solo sections. To even out numbers across this age group, an additional section “Elementary” has been established. The Elementary section will fit between Novice and Open Reserve in the Senior section only for 2018.

The criteria for each of these sections is outlined on the next page.

Grading

- Competitors have been graded as per 2017 results received from Victorian metropolitan competitions.
- Competitors who did not compete in a particular section in 2017 have been removed from the relevant Grading List.
- Previously graded competitors intending to re-enter solo competitions in 2018 after an absence, ie. they no longer appear on the Open / Open Reserve Grading list, **must apply to the Solo Grading Committee for a new grading.** solo.grading@calisthenics.asn.au

Solo Eligibility

- Calisthenic Skills Levels are required for **ALL** Solo & Duo Competitions conducted in Melbourne and Ballarat, as well as all competitors from those cities, including the Bellarine area, who compete at country competitions. Competitors are required to successfully pass the relevant Skills Level in the year prior to the competition. For all Skills Level requirements refer to *Special Victorian Competition Rules – Graceful Solos, Calisthenic Solos and Duos* on CVI website under ‘Competitions’ / ‘Rules and Guidelines’.

Please note the following additional requirements for 16, 17 and 18+ year old solo entrants:

- An 80% pass rate is required for Aesthetic and Dance in the Grade 3 Skills Level for all entrants in 16 years Graceful Solo and Grade 4 Skills Level for all entrants in the 17 year and 18 year & over (Senior) Graceful Solo.
- To be eligible for the 17 Calisthenic Solo & 18 year Senior Calisthenic Solo section, an 80% pass rate is required in the Aesthetic, Dance and Free Exercise components (for participants born in the year 2000 and after).

If an 18 year old competitor wishes to compete in the Senior Calisthenic Solo section but has not competed for a period of 12 months or more, they must fulfil the Skills requirement.

GRADING CRITERIA

The following criterion was used to grade soloists for 2018 Victorian Competitions.
