

2024 Registration

If you have been involved in calisthenics before, registration for the 2024 Season looks a little different! Please make sure you read through this document so you register via the correct links.

I am a performer

To register for the 2024 year you will need to do so directly via your club's specific registration link **HERE**

- Your clubs registration link will be made available on this page once they have set up their database and are ready to take registrations. You can also ask your club directly for their registration link.

I am a coach

1 If you coach at **one club only** you will need to register directly via your club's specific registration link **HERE**

- Your clubs registration link will be made available on this page once they have set up their database and are ready to take registrations. You can also ask your club directly for their registration link.

2 If you coach at **multiple clubs** or are **not associated with a club** please register directly via the CaliVic link **HERE**

- There will be an opportunity in 2024 to then register yourself with each club you coach at so they have your details etc. Further information will be communicated to coaches in February 2024.

I am a performer and a coach
